Date: July 23, 2022
Where: Text conversation
Person Contacted: Tracy Vrem (pilot)
NTSB Accident Number: WPR22LA326

The pilot was unable to call from his remote location and internet was limited. The Pilot/Operator Aircraft Accident/Incident Report form was emailed on August 31, 2022. The form was scanned and sent to me via text message and was received on September 4, 2022. Page 10 of the form was not returned with the scanned report. I asked Mr. Vrem via text, if he could tell me if he "...experienced any mechanical malfunctions or anomalies with the airplane during the accident flight?" He replied back by stating "No."

As of this time, there are no photos of the accident airplane, postaccident. The airplane was still in the water the last time we communicated.
