

Starr Blum
Air Safety Investigator
Western Pacific Region

Record of Conversation

WPR22LA371

Aircraft Registration & Make/Model: N9670V / Cessna 172
Accident Departure Airport: Watts-Woodland Airport (O41)
Accident Date: August 20, 2022
Person Contacted: Shane Nichols, Son of the Pilot

In a telephone conversation with the pilot's son, he stated as of October 27, 2022, no wreckage or body has been recovered. He indicated that if anything changes, he will call Mr. Salazar with the NTSB and report the information.
