A member of the pilot's family was met near the pilot's van parked near some airport hangars at the Dona Ana County International Jetport Airport (DNA), Santa Teresa, New Mexico, on April 2, 2023. They reported that the pilot had departed DNA the morning of the accident and that he had planned to meet up with a friend during the flight who was also flying in the area. They didn't know anything further about the accident flight.
