Statement taken by Officer B. Tucker C11/9106 Case No. 2023-3621

Fueler Westly Putt

Fueler put 104 Total gallons total topped off in N4477W. The fueler said the pilots were in good spirit. This was a common weekend flight of this pilot for proficiency. This pilot most always took a passenger was the fueler's recollection. The FBO manager provided fuel testing data and no bookkeeping irregularities were found.
