Western Pacific Region

Date: 10/25/2022

Subject: WPR23LA025

Aircraft Registration & Make/Model: N354MB / Airborne Wind sport PTY Limited Edge
Accident Location: Alturas, CA.
Accident Date: October 25, 2022; **Unknown time.** **Notification:** 1800 PST
Person Contacted: Thomas B. Parnow, Previous Owner

At 1700 MST, the DO received notification from the NTSB ROC that Officer Widby called to report an accident at the Alturas Municipal Airport (AAT), Alturas, CA. He reported that when he arrived the pilot was obviously deceased. He did not know when the accident occurred.

Pilot: [REDACTED]

DOB: [REDACTED] 1

Phone number [REDACTED]

LEO on Scene: Officer Widby; [REDACTED]

Modoc County Dispatch:

Chief Collins: [REDACTED]

Modoc County Coroner removed the deceased.

FAA: Reno FSDO

Ryan Branch; [REDACTED]

The case may go to Jerry Rose

A witness stated to LEO that he/she walked out of their house and saw a wing sticking up in between the runway and taxiway of the airport. He/she called the police and reported it.

Multiple witnesses from the volunteer fire department reported seeing the aircraft flying around.
