Senior Air Safety Investigator
AS-WPR

Date: August 20, 2024

Subject: WPR23LA321, Attempts to Contact Airplane Owner

This investigator attempted to contact the airplane owner, Mr. Vincent Siebern, [REDACTED], on at least four occasions. Telephone messages were left for Mr. Siebern on 8/25/23, 11/22/23, 1/8/24, and 8/12/24 requesting the status of the airplane wreckage to conduct an examination, and information on where to send a NTSB Form 6120.1. In addition, the FAA inspector assigned to this case also made multiple attempts to contact Mr. Siebern and had not received a response. No airplane logbooks were recovered during the investigation.

The pilot of the airplane was contacted on 8/12/2024, and she stated she had not spoken to the owner since the accident, but she believed the owner had disposed of the airplane wreckage.
