Email Report Instructions:

The narrative and attachments from this email report may be used in other reports at the discretion of the IIC. This email, including attachments (if applicable), should also be placed in the docket by the IIC.

Email Report:

The Vehicle Recorder Division received an Apple iPad 8th Generation (P/N: A2270, S/N: GG7DLDH2Q1GG). The device sustained impact damage rendering it inoperable (WPR24FA010_iPad.JPG). The internal motherboard was removed and evaluated. The damage sustained precluded normal recovery procedures, therefore, no accident-related data were recovered.
