Email Report Instructions:

The narrative and attachments from this email report may be used in other reports at the discretion of the IIC. This email, including attachments (if applicable), should also be placed in the docket by the IIC.

Email Report:

The Vehicle Recorder Division received two 10th Generation Apple iPads (P/N: A2696, S/N: FN2QKXJHH2 and S/N HL4L19GFV) and a Sentry ADS-B Receiver (S/N 8104086). The iPads sustained heavy impact damage (IMG_0624.jpg, IMG_0626.jpg) rendering them inoperable. The Sentry was undamaged (IMG_0623.jpg), however, the particular model does not contain internal historical data. Therefore, no data were recovered.
