

Andrew Swick
Aviation Accident Investigator
AS-WPR

Date: August 27, 2024

Subject: WPR24FA287 Record of Memorandum

Contact: [REDACTED] (Mechanic)

During a phone conversation with [REDACTED], he reported that a prepurchase inspection and the last condition inspection was performed on the accident airplane in July of 2024. He said nothing out of the ordinary was found during the inspections. On August 23, 2024, two days before the accident, [REDACTED] met with the accident pilot who took possession of the logbooks and soon after departed Cleveland, Texas, on the cross-country flight California.
