

Stephen Stein
Senior Aviation Accident Investigator
Aviation Safety - Western Pacific Region

Date: February 1, 2024
Subject: WPR24LA082 - Eden, Oregon
Contact: Jonathan Wicks, passenger

According to Mr. Wicks, he was seated in the back seat as a passenger. They fueled the airplane up the day before the accident. They departed about 1000 on the day of the accident and the accident occurred about 1320 (which he recalled from the SOS that was automatically triggered by his mobile phone when the accident occurred). At the time of the accident they were done and headed back to Joseph Airport, where they departed to conclude the sightseeing trip. The passenger stated that he did not recall anything from the accident flight. He further remarked that he owned a piece of property they landed at before the accident.
