

Michael Hicks
Air Safety Investigator – Investigator-in-charge (IIC)
Office of Aviation Safety – Western Pacific Region

Date: October 17, 2024
Subject: WPR24LA282
Contact: Delbert Boyd -Pilot in command (PIC) N6633K

During the investigation, the IIC sent the PIC an email on September 19, 2024, containing the initial parameters for the investigation, including an attachment labeled, 6120_1web_Reader. The email requested that the PIC contact the IIC at their earliest convenience, but no reply was received. The IIC followed the email with three subsequent phone calls to the cell phone number provided by the Duty Officer and validated by the PIC's employer. Each attempt to contact the PIC was unsuccessful.
