Subject: WPR24LA293

Contact: Supervisor Daniels, San Berdandino Sheriff's Office

The law enforcement officer reported that a Cessna 152 airplane landed near Roy's Café in Amboy, CA earlier in the day. He added that the airplane taxied onto the pavement of National Trails Highway and accelerated westbound down the roadway for takeoff. Shortly after the airplane became airborne, the right wing struck a street caution sign. As a result, the airplane tumbled, struck the road, and came to rest into the open desert.
