

Scott B. Johnson
Air Safety Investigator
Western Pacific Region

Date: October 22, 2024
Subject: WPR25FA020, Memorandum for Record
Contact: [REDACTED] Airport Operations Manager

The following is a synopsis of the information provided by [REDACTED] during a conversation during the on-scene accident examination.

Interviews of the airport operations staff noted nothing unusual about the pilot's well-being or behavior and that the pilot had been in good spirits prior to the airshow.
