**Date:** December 18, 2024  
**Subject:** WPR25LA018, N7847C  
**Contact:** Johnny Gomez, Arizona Air Salvage

During a phone conversation, Mr. Gomez stated the following:

- He had been asked to transport the airplane from Oregon to a storage facility in the Phoenix area.
- As part of the transportation process, the airplane was rolled using its own wheels on and off a trailer, and from the trailer into a storage bay. Mr. Gomez noted that the airplane rolled smoothly with neither of the wheel brakes dragging or locking.
