Good morning all -

We are searching for a missing aircraft, N4151R, and pilot, Michael Timothy, Martin, who is based out of North Las Vegas.

The pilot does have a Foreflight account; therefore, we wanted to check with you to see if there was any recent track data (or any activity) from his account. The flight went missing on January 2, 2025.

Detective Verl Conover from the Las Vegas Metropolitan Police Department, who is currently in charge of the search effort, is also copied on this email.

Thanks and best regards,

Stephen
