Subject: WPR25LA184, Airport Cameras

Contact: Tim Steffen, Flight Operations Director, Idaho Division of Aeronautics

Mr. Steffen was contacted in regards to the contact information for the Garden Valley Airport (U88), Garden Valley, Idaho, airport manager or any video/photos of the of the airport while N2680Y was parked at the airport.

Mr. Steffen explained that the Idaho Division of Aeronautics is the airport manager for U88. However, on a sessional basis there is an airport caretaker that is sometime on the airport. Due to personal reasons, the airport caretaker had recently left the organization.

U88 does have cameras, but the video is not recorded, only stills are stored from noon each day. The following video stills were provided:
